**Hon. Zahid N. Quraishi***Scheduling conference

@ 9:30 AM.*

Dear Magistrate Judge Quraishi:

This firm represents the Plaintiff, John Doe, in the above-captioned matter, and respectfully submits this joint letter request for a thirty-day adjournment of the pending scheduling conference, currently slated for Monday, November 18, 2019 (ECF No. 30).

Pursuant to a stipulation of dismissal filed on September 5, 2019, Tiger Inn is the sole remaining defendant in this action. Since that time, Plaintiff and Tiger Inn have been engaged in discussions of a potential resolution of the instant litigation. Last week, the parties reached an agreement in principal. In the interest of efficiency for both the Court and the parties, the parties therefore seek additional time to resolve this matter.

We respectfully request that the Court approve this joint request and grant a thirty-day adjournment of the scheduling conference. Thank you for your time and consideration.

Respectfully submitted,
